### Notes

Scoring (at the end of the game): For each card that is occupied by your minions and no one else's, you score that card's value.

The trumps are shown here in a commonly-used order. However, some Tarot decks use a different trump order. When scoring, always use the values shown on the cards you are playing with.

---

### Cups . . . . .

#### Grow or Clone

This minion may either grow or clone. To grow, replace this minion with a minion one size larger. To clone, place another minion of the same size or smaller in this space.

### Wands . . . . .

#### Move

Move this minion into the target space, and orient it standing.

### Swords . . . . .

#### Attack Minion or Destroy Territory

This minion attacks any minion in the target space. (A minion may not attack itself, but it may attack other minions of the same color.) If this minion is smaller than the target, the target is reduced one size. If this minion is the same size or larger, the target is destroyed. If there are no minions in the target space, the top card in the space is removed and discarded.

### Discs . . . . .

#### Build Territory

This minion builds new territory in the target space. Draw a card from the deck and place it on the target space. If any other player has minions in the target space, you may not use this card. However, if the target space contains only your minions, they are unaffected and the new card goes underneath them.

### All Royalty . . . . .

11 - face cards

#### Play as Any Suit

If this card is played from your hand, it may be played as if it had any of the four suit powers. On the board, this card has only its own suit power, as described above.

---

### Fool . . . . .

0 - O

#### Play Two Random Cards

Draw a card from the deck and play it as if playing from your hand. You must perform the action if any of your minions can legally play it at all. Then discard the card. Then repeat the process a second time: draw, play if possible, and discard. (Court cards may not be played wild; they must use the power of their suit.)

### Magician . . . . .

1 - I

#### Play as Any Suit

This card is used as if it had any of the four suit powers.

### High Priestess . . . . .

2 - II

#### Draw Two Cards and Go Again

Draw up to two cards, and then take another turn (any of the eight turn options.) You may not re-use the same card you used to invoke this power.

### Empress . . . . .

3 - III

#### Grow or Clone Ignoring Pop Limit

This minion may either grow or clone, just as in the power of Cups. You may ignore the population limit.

**Emperor** . . . . .     
 4 - IV **Attack and Demand Cards**  
 This minion attacks, just as in the power of Swords. However, if you attack an enemy minion, you may also (at your option) demand up to three cards from the enemy player's hand. The other player chooses which cards to give you.

**Hierophant** . . . . .    
 5 - V **Attack and Convert Minion**  
 This minion attacks, just as in the power of Swords. However, instead of being destroyed or reduced, the target minion is replaced by a minion from your stash. The replacement minion must be of the same size as the target or smaller, and it is oriented standing. This card may not be used to destroy territory.

**Lovers** . . . . .   
 6 - VI **Create Minion in Wasteland**  
 Place one minion of any size from your stash in any empty wasteland space. You must choose a wasteland space which is adjacent to at least one card.

**Chariot** . . . . .     
 7 - VII **Move Twice**  
 This minion moves, just as in the power of Wands, either once or twice. The moves may be in any directions, regardless of the minion's starting orientation.

**Strength** . . . . .     
 8 - VIII **Grow Or Clone Twice**  
 This minion grows or clones, just as in the power of Cups, either once or twice. (You need not choose the same option both times.)

**Hermit** . . . . .     
 9 - IX **Move Ignoring Pop Limit**  
 This minion moves, just as in the power of Wands. The move may be in any direction, regardless of the minion's starting orientation, and you may ignore the population limit.

**Wheel of Fortune** . . . . .    
 10 - X **Build Hidden Territory**  
 This minion builds new territory, just as in the power of Discs. However, you draw the card, look at it secretly, and place it face-down. No player (including you) may look at it thereafter. Minions on a face-down card may not use it as a territorial power. When the game is over, turn the card face-up to reveal what its scoring value is.

**Justice** . . . . .    
 11 - XI **Trade Hands**  
 Trade hands with any other player.

**Hanged Man** . . . . .

**Temperance** . . . . .    
 14 - XIV **Build Territory Under Enemies**  
 This minion builds new territory, just as in the power of Discs. However, this card may be used from the wasteland, and it may be used even if the target space contains enemy minions. All minions in the target space are unaffected, and the new card goes underneath them.

**Devil** . . . . .    
 15 - XV **Reorient Nearby Minions**  
 You may reorient any or all minions in this space and the four adjacent spaces, regardless of whose minions they are.

**Tower** . . . . .    
 16 - XVI **Destroy Under Minions**  
 This minion attacks, just as in the power of Swords. However, instead of attacking a minion, you may choose to destroy the top card in the target space, even if there are minions in the space.

**Star** . . . . .    
 17 - XVII **Draw Four Cards**  
 Draw four cards, ignoring the hand limit.

**Moon** . . . . .    
 18 - XVIII **Transport Territory**  
 Pick up the top card in this space, and all minions in this space, and place them on top of any empty wasteland space or empty territory card. (If you choose a wasteland space, it must be adjacent to at least one card.) All transported minions are reoriented standing.

**Sun** . . . . .    
 19 - XIX **Build Territory From Hand**  
 This minion builds new territory, just as in the power of Discs. However, you choose the new territory card from your hand, instead of drawing it from the deck. If this card is played from your hand, you may not choose it as the new territory card.

**Judgement** . . . . .    
 20 - XX **Resurrect Three Cards**  
 Draw up to three cards from the top of the discard pile. (Not counting this one.)
